SUMMER CHESS CAMP

JULY 2-6, 2018

Come join us the first week of July for a fun and interactive chess camp.

Our dedicated and trained staff are made up of educators and experienced chess coaches from all across Tucson who love sharing their chess knowledge and secrets.

Students will learn based on their skill level and we are taking in anyone from those first starting out to the more experienced players who already have some tournament experience.

Students will learn from the rich history of the game, some of our examples date back to the early 1600's! We will also be teaching the various openings of the game, implementing traps, rating increase, middle game planning, endgame necessities as well as pattern recognition.

Groups will be adjusted based on student sign up and may expand to add more sections.

Schedule: Monday - Friday 9:00 AM to 4:30 PM.

Note that Wednesday, July 4th will be a half day from 9 AM to Noon for festivity reasons.

Rates: First 20 participants: **\$250** if no lunch is provided or **\$285** if we provide lunch (Wednesday excluded). You may be eligible for a family discount and if you also participated at the **14th Annual Western Alliance Summer Chess Camp**, held June 26-29th. \$50 more after.
